

5G Technology Workshop

Potential Technology for 3GPP Rel-15 Standardization

Time	Agenda	Speaker	Presentation Slide
1000~1200	Keynote Speech Session Moderator: NCTU, Yi-Bing Lin, Chair Professor, CSIE		
1000~1020	Taiwan's 5G Roadmap	5G Program Office , Li Fung Chang, Chief Architect	Download Here
1040~1100	5G Key Concept and System Trial in Japan	5GMF , Satoshi Suyama, Sub-leader of 5G System Trial Promotion Group of 5GMF	Download Here
1100~1120	5G Views & Activities in Korea	5G Forum , HyeonWoo Lee, Chair, Global Strategy Committee	Download Here
1120~1140	5G Vision of IMT-2020 (5G) Promotion Group	IMT-2020 (5G) Promotion Group , Zhongda Du, Expert of IMT-2020 (5G) Promotion Group	Download Here
Technology Sessions			
1330~1520	Section1: Operator's View on 5G Moderator: 3GPP SA2 Chair, Frank Mademann, Huawei		
1330~1350	CMCC 5G Trials: Plan and Progress	China Mobile , Zhuo Chen, Manager, China Mobile Research Institute (By Proxy: ZTE Zhongda Du)	Download Here
1350~1410	DOCOMO's 5G Views & Experimental Trials	NTT DOCOMO , Satoshi Suyama, Senior Research Engineer 5G Laboratory	Download Here
1410~1430	Verizon 5G Trial Activities	Verizon Wireless , Yee Sin Chan, Distinguished Member of Technical Staff, 3GPP RAN Lead, Verizon Corporate	Download Here

		Technology	
1430~1500	Challenges and Opportunities Towards Next-Generation Mobile Network	Chunghwa Telecom , Ling-Chih Kao, Deputy Manager, Chunghwa Telecom. Laboratories	Download Here
1520~1710	Section2: System Vender's View on 5G Moderator: 3GPP RAN2 Chair, Richard Burbidge, Intel		
1520~1540	5G Highlights	Nokia , Benoist Sebire, LTE Chief Architect, Nokia Networks - Japan	Download Here
1540~1600	On the way to 5G	Huawei , Elean Fan, Principle Engineer, Line manager, Wireless Standards Department	Download Here
1600~1620	Ericsson vision of 5G technology in 3GPP Rel-15 and onwards	Ericsson , Riikka Susitaival, Master Researcher	Download Here
1620~1640	5G enabling technologies to lead in real world	Samsung , Daegyun Kim, Director, 5G project leader	Download Here
1710~1840	Section3: Chipset's view on 5G Moderator: TAICS, Secretary General, Sheng-Lin Chou, ITRI		
1710~1730	5G NR and Network Transformation	Intel , Geng Wu, intel fellow & Chief Architect, Director of Wireless Standards and Advanced Technology	Download Here
1730~1750	Marching into a brand new world: from 5G vision to NR standardization	Mediatek , Gabriel Lin , Sr. Director, Chairman of TC1, TAICS	Download Here
1750~1810	Making 5G NR a Reality	Qualcomm , Yu-Ting Yu, Senior System Engineer, QTI	Download Here
